**Subject: Public disclosure of information regarding various Rural Development schemes and Fourteenth Finance Commission (FFC) through wall paintings/ Flex-reg.**

**Dear Additional Chief Secretary**

As you are aware, the nation will be conducting "Gram Swaraj Abhiyan" (Village Self Governance Campaign) from 14<sup>th</sup> April to 5<sup>th</sup> May 2018. This campaign aims to generate nation-wide efforts to increase social harmony across villages, foster farmer's progress, promote rural development by generating awareness about various schemes, emphasise the centrality of Gram Sabha and accountability of Gram Panchayat in implementation of these schemes and strengthen Panchayati Raj.

2. An important aspect of the campaign this year will be the public disclosure to Gram Panchayats (GPs) regarding desegregated funds and the activities to be carried out in each GP area, for each of the schemes implemented by the line departments. This public disclosure should be made in the form of a Wall Painting or a Flex in the Panchayat Building.

3. A format for public disclosure in respect of FFC Funds and schemes of Rural Development is enclosed herewith. State Governments are requested to translate the same in Hindi or respective regional language for display. The public disclosure information regarding RD schemes for the year 2017-18 and 2018-19 are required to be displayed appropriately through wall paintings or Flex as afore stated. Photographs of Flex or Wall Paintings put up in Panchayat Bhawans would be required to be uploaded to the website designated for monitoring the Gram Swaraj Abhiyan. The number of GPs where such public disclosure was done will constitute an important parameter for the event.

4. For any assistance you may contact Sh. Debasis Pal, Director (Media), MoPR on 011-23746557, email: [debasispal.pri@nic.in](mailto:debasispal.pri@nic.in)
