

Meghalaya Improves MGNREGS Implementation

SMILLONG Meghalaya recorded improvement in the implementation of MGNREGS with person-days higher than the national average. The state provided an average of 57.73 'person-days' per household to 3,46,129 households, which was higher than the national average of 42.04 'person-days' per household, an annual report for 2010-11, tabled by rural minister Saleng A Sangma said.
